Membership in the Association is mandatory for all Owners and membership shall continue, as to each Owner, until such time as that Owner transfers or conveys that Owner's fee simple interest in the Lot upon which that Owner's membership is based or until such fee simple interest is transferred or conveyed by operation of law, at which time the membership in the Association will automatically pass to the grantee or transferee. (c) Notice by Electronic Transmission. The Association shall not send any notice of the Annual Meeting or a Special Meeting of the Members by electronic transmission to a Member, unless that Member has first consented to receive notice by electronic transmission. A Member may revoke his or her consent to receive notice by electronic transmission at any time, but must provide that revocation in writing to the Association or any person designated by the Association to receive such revocations.

(d) Notice Timing. Any notice required to be sent to any Member under these Bylaws shall be deemed to have been properly sent when personally delivered or mailed, postage prepaid, to the last known address of the person who appears as a Member in the official records of the Association at the time of such delivery or mailing. If any Member has consented to receive notice by electronic transmission, any notice required to be sent to that Member or Owner shall be deemed to have been properly given when sent and/or forwarded to the electronic mailing address(es) designated by that Member.

Section 5. Attendance at Meetings. All Members of the Association shall have a right to attend each Annual Meeting and any Special Meeting of the Members. However, if a Member wishes to exercise this right to speak, that Member must submit a written request to speak at least one (1) hour prior to the start of the Annual Meeting or Special Meeting at which that Member wishes to speak. This written request to speak must be submitted to the Association or any person designated by the Association to receive such written requests. The Board of Directors may adopt additional reasonable rules regarding the frequency, duration and manner Members are permitted to speak at the Annual Meeting and any Special Meeting.

Section 6. Adjournment of Meetings.

(a) Annual Meetings. The Annual Meeting of the Members may be adjourned to a different date, time and/or place. The notice of the new date, time and/or place shall also be posted in a conspicuous place within the community at least fourteen (14) days prior to the new date of the adjourned Annual Meeting.

(b) Special Meetings. A Special Meeting of the Members may be adjourned to a different date, time and/or place. Notice of the new date, time and/or place shall be mailed, hand delivered or electronically transmitted to all Members at least fourteen (14) days prior to the new date of the adjourned Special Meeting. Proof of compliance with this notice requirement shall be made by an affidavit executed by the person providing the notice, and this affidavit shall immediately be filed in the official records of the Association after it is executed.

The notice for the new date, time and/or place shall also be posted in a conspicuous place within the community at least fourteen (14) days prior to the new date of the adjourned Special Meeting.

Section 7. Minutes of Meetings. These minutes must be retained by the Association for a period of not less than seven (7) years.

Section 8. Quorum for Meetings. The presence, either in person or by proxy, at any Meeting of the Members of the Association, whether it is an Annual Meeting or a Special Meeting, of at least thirty percent (30%) of the Association's Members shall constitute a quorum for that Meeting. If a quorum is not attained at any Meeting of the Members of the Association, that Meeting may be adjourned from time to time pursuant to Article VI, Section 6 of these Bylaws until such time as a quorum is attained.

Section 9. Voting. If a quorum has been attained at any Meeting of the Members of the Association and unless otherwise provided by Florida law, the Declaration, the Articles of Incorporation or these Bylaws, any decisions or matters that require a vote of the Members must be approved by at least a majority of the Members Eligible To Vote present at that Meeting, either in person or by proxy.

The Association shall have two (2) classes of membership with the voting rights as follows:

(a) Class A. Class A Members shall be all the Owners of Lots, with the exception of Declarant for so long as Declarant retains Class B membership. Each Class A Member shall have one (1) vote for each Lot owned by that Member. When more than one person or entity is an Owner of any Lot, all such persons or entities shall be Members, but the vote for that Lot shall be exercised only by that one (1) Member Eligible To Vote. In no event shall there be more than one (1) Class A vote cast for each Lot.

(b) Class B. The Class B Member shall be the Declarant or Declarant's express assigns or successors in interest. Until conversion of the Class B membership to Class A membership as set forth in Article VI, Section 9(c) of these Bylaws, Declarant shall have five (5) votes for each Lot owned by Declarant. As each Lot in the Property is conveyed by Declarant to a Class A Member, Declarant's votes for that Lot shall automatically terminate.

(c) Conversion of Class B Membership. Declarant's Class B membership shall continue in effect during the period from the date of the Declaration until the earlier of the following events:

(1) Three (3) months after ninety percent (90%) of all Lots in the Property have been conveyed or transferred to Owners other than Declarant, excluding conveyances and/or transfers to builders, contractors, and/or any others who purchase a Lot for the purpose of constructing improvements thereon for resale; or

(2) Ten (10) years after the date on which the Declaration is recorded in the Public Records of Pasco County, Florida; or

(3) Upon the Declarant abandoning or deserting its responsibility to maintain and complete the amenities or infrastructure as disclosed in the governing documents of the Community; or

(4) Upon the Declarant filing a petition seeking protection under Chapter 7 of the federal Bankruptcy Code; or

(5) Upon the Declarant losing title to the Property through a foreclosure action or the transfer of a deed in lieu of foreclosure, unless the successor owner has accepted an assignment of developer rights and responsibilities first arising after the date of such assignment; or

(6) Upon a receiver for the Declarant being appointed by a circuit court and not being discharged within thirty (30) days after such appointment, unless the court determines within thirty (30) days after such appointment that transfer of control would be detrimental to the Association or its members; or

(7) At such earlier time as Declarant, in its sole discretion, may so elect by recording a notice of such election in the Public Records of Pasco County, Florida.

When the earlier of the preceding events occurs, the Class B Members shall call a Special Meeting of the Association's membership to advise of the termination of Class B membership. When Declarant's Class B membership terminates, Declarant will automatically be converted to Class A membership. Declarant shall then retain one (1) vote for each Lot still owned by Declarant. When the Class B membership converts to Class A membership in the Association, Declarant may exercise the right to vote any Lot(s) still owned by Declarant in the same manner as any other Class A Member, except Declarant cannot exercise its respective vote(s) for the purposes of reacquiring control of the Association or selecting a majority of the members of the Board of Directors.

(d) No Split Votes. The vote for each Lot must be cast as a single vote, and fractional votes shall not be allowed. If a Lot is owned by more than one (1) Owner, and the Owners of that Lot are unable to agree among themselves as to how the vote is to be cast, or if more than one (1) Class A vote is cast for any Lot, the vote for that Lot shall not be counted for any purpose except for establishing a quorum. If any Owner casts a vote on behalf of a Lot, it shall be conclusively presumed that Owner was acting with the authority and consent of all other Owners of that Lot.

(e) No Cumulative Voting. There shall be no cumulative voting on any issue, matter or candidate that is the subject of a vote by the Association's membership.

(f) Percentage of Members. When any reference is made in these Bylaws to a majority, specific percentage or fraction of Members, such reference shall be deemed to be a reference to a majority, specific percentage or fraction of the Members Eligible To Vote and not

of the Members themselves. As an illustration, but not as a limitation, if there are forty-two (42) Lots and all the Lots are owned by Class A Members, then there is a total of forty-two (42) Members Eligible To Vote.

(g) Voting Qualifications. To be qualified to vote, a Class A Member must be current in payment of all Assessments and any liens which may have been levied against that Member and/or any Lot owned by that Member as of the date of the Meeting where the vote is to take place. Any person designated in writing by the Class B Member shall be qualified to cast the votes for each respective Lot owned by the Class B Member.

Section 10. Proxies. All Members Eligible To Vote by do so either in person or by proxy at any Meeting of the Members of the Association, whether it is an Annual Meeting or a Special Meeting. The proxy must be mailed or hand delivered to the Secretary of the Association's Board of Directors or another authorized person so designated to receive the proxy by the Board of Directors, so that the proxy is received prior to the date of the Meeting for which the proxy is being given. All proxies must contain the date, time and place of the Meeting of the Members for which the proxy is being given. The proxy must be signed and dated by the authorized Member Eligible To Vote who executed the proxy. Any proxy will be effective only for the specific Meeting for which that proxy was originally given, and any reconvening of that Meeting that may have been adjourned. Notwithstanding the foregoing, a proxy shall automatically expire ninety (90) days after the date of the Meeting for which it was originally given, even if that Meeting is adjourned and reconvened at a later date, time and/or place. A proxy is revocable at any time at the pleasure of the Member Eligible To Vote who executes that proxy. If a proxy submitted by a Member Eligible To Vote does not provide a name of a proxy holder, the Secretary of the Board of Directors of the Association or another person designated by the Board of Directors, shall automatically become the proxy holder of that proxy.

Section 11. Recording of Meetings. Any Member may tape record and/or videotape any Meetings of the Members of the Association, whether it is an Annual Meeting or a Special Meeting, subject to the following and such further reasonable rules and restrictions that the Board of Directors may adopt from time to time:

(a) The only audio equipment, video equipment and/or other devices which Members are authorized to utilize at any such Meeting is equipment which does not produce distracting sound, light and/or heat emissions;

(b) All audio equipment and/or video equipment shall be assembled and placed in position in advance of the scheduled time for the start of the meeting;

Section 12. Conduct of Meetings. The President of the Board of Directors shall preside at all Meetings of the Members of the Association. In the event a Member is not a natural person (including but not limited to, corporations, partnerships, limited liability companies, limited liability partnerships and trusts), any person appointed by or who is an officer, director, partner, manager or trust officer of that Member shall be eligible to serve as a Director of the Association unless specific written notice to the contrary is signed and provided to the Association by that Member.

The Declarant shall have the sole right to appoint and remove any member(s) of the Board of Directors of the Association while Class B membership exists. When Class B membership terminates, the Class A Members shall elect Directors by written ballot at a Special Meeting of the Association's membership. Each Member Eligible To Vote shall be entitled to cast that Member's vote(s) for each of as many nominees as there are vacancies to be filled. There shall be no cumulative voting for any Director(s). All Directors elected by the Class A Members at this Special Meeting shall serve until the first Annual Meeting of the Association to be held after that Special Meeting, unless the Director resigns, dies, is recalled or is otherwise removed prior to the Annual Meeting of the Association, in which case the vacancy will be filled pursuant to these Bylaws.

All subsequent elections of Directors shall occur at the Annual Meeting of the Association's Members. Each Member Eligible To Vote shall be entitled to cast that Member's vote(s) for each of an many nominees as there are vacancies to be filled on the Board of Directors at the Annual Meeting. There shall be no cumulative voting for any Director(s). All Directors elected by the Class A Members at an Annual Meeting of the Association shall serve until the date of the next Annual Meeting of the Association, unless the Director resigns, dies, is

recalled or is otherwise removed prior to the next Annual Meeting of the Association, in which case the vacancy will be filled pursuant to these Bylaws.

Section 2. Vacancies in the Board of Directors. Vacancies in the Board of Directors caused by any reason other than the removal of a Director by a vote of the Members ("recall") shall be filled by a majority vote of the remaining Directors, even though they may constitute less than a quorum of the Board. Each person elected to fill a vacancy on the Board of Directors shall serve until a successor is elected at the next Annual Meeting of the Association. A vacancy or vacancies shall be deemed to exist in the case of death, resignation, removal of any Director, judicial adjudication of mental incompetence of any Director, increases in the size of the Board, or in the event the Members fail to elect the full number of authorized Directors at any meeting at which such election is to take place.

Section 3. Recall of Directors. Any one (1) or more of the Directors (other than those appointed by Declarant) may be recalled with or without cause by a majority vote of the Members, provided the following procedures are followed:

(a) Directors may be recalled by an agreement in writing or by written ballot without a meeting of the Association's membership. The agreement in writing, the written ballots, a copy of the agreement in writing or a copy of the written ballots must be served on the Association by certified mail or by personal service by a process server. When at least a majority of the Board of Directors is sought to be recalled, the agreement in writing or written ballots shall list at least as many possible replacement Directors as there are Directors subject to the recall. The Members may vote for as many replacement candidates as there are Directors subject to the recall. When the recall of more than one (1) Director is sought, the agreement in writing or written ballots shall provide the Members a separate vote for each Director sought to be recalled. The agreement in writing and all written ballots must comply with the requirements of Florida law.

(b) The Board of Directors shall duly notice and hold a meeting of the Board no later than five (5) full business days after receipt of the agreement in writing or written ballots. At this Board meeting, the Board shall either:

(1) Certify the written ballots or written agreement to recall a Director or Directors of the Board. If so certified, the Director or Directors shall be recalled effective immediately and the recalled Director(s) shall turn over to the Board within five (5) full business days any and all records and property of the Association in the possession of the Director(s); or

(2) Not certify the written ballots or written agreement to recall a Director or Directors of the Board. The Board shall then, within five (5) full business days after the Board meeting, file a petition for arbitration with the appropriate agency of the State of Florida. The Members who executed the agreement in writing or written ballots shall constitute one party under the petition for arbitration. If, as a result of the arbitration, the arbitrator certifies the recall as to any Director or Directors of the Board, the recall of the Director or Directors will be effective upon mailing of the final order of arbitration to the Association. The Director or Directors so recalled shall deliver to the Board any and all records and property of the

Association in the possession of the recalled Director(s) within five (5) full business days after the effective date of the recall.

(c) At the Board meeting held pursuant to Article VII, Section 3(b) of these Bylaws, minutes must be taken and those minutes must: record the date and time of the meeting; record the decision of the Board whether or not to certify the recall; and the vote count taken on each Director subject to the recall. If the Board of Directors decides not to certify the recall, in addition to the other requirements, the minutes must also identify each vote that was rejected, the parcel number of each rejected vote and the specific reason that each vote was rejected. The minutes of this Board meeting are an official record of the Association.

(d) If the Board of Directors fails to duly notice and hold a Board meeting within five (5) full business days after service of an agreement in writing or written ballots on the Association, the recall shall be deemed effective and the Director(s) so recalled shall immediately turn over to the Board all records and property of the Association in the possession of the Director(s).

(e) If it is determined by the applicable agency of the State of Florida, during the arbitration process described in Article VII, Section 3(b)(2) of these Bylaws, that a first recall effort was defective for any reason, the written agreements or written ballots used in that first recall effort which were not found to be defective may be reused in one (1) subsequent recall effort. In no event shall a written agreement or written ballot be valid for more than one hundred twenty (120) days after it has been signed by the Member.

(f) A Member can revoke or rescind that Member's written ballot or written agreement. The revocation or rescission must be in writing and delivered to the Association before the Association is served with the written agreement or written ballots.

(g) If any vacancy occurs on the Board as a result of a recall, and less than a majority of the Directors are removed, the vacancy may be filled by a majority vote of the remaining Directors. If any vacancy occurs on the Board as a result of a recall and a majority or more of the Directors are removed, those vacancies shall be filled by the Members who voted in favor of the recall. The Members may vote for replacement Directors in the written agreement or written ballots. The written agreement and all written ballots must comply with the requirements of Florida law. Any person elected to fill a vacancy on the Board that results from a recall shall serve until a successor is elected at the next Annual Meeting of the Association.

Section 4. Meetings. Meetings of the Board of Directors may be held at such times and places as shall be determined, from time to time, by a majority of the Directors. Special meetings of the Board may be called by the President of the Board, and must be called by the President or Secretary of the Board at the written request of one-third (1/3) of the Directors. Notice of all Board meetings shall be given to each Director, personally or by mail, telephone, facsimile or by electronic transmission, and shall be provided at least three (3) days prior to the meeting. Notice of Board meetings, which notice shall specifically include an identification of agenda items, shall be posted in a conspicuous place in the community at least forty-eight (48) hours preceding the date and time of the Board meeting, except in the event of an emergency as

defined in Article VII, Section 15 of these Bylaws. A meeting of the Board of Directors occurs whenever a quorum of the Board gathers to conduct Association business. Board meetings shall be open to all Members, except for: meetings between the Board and the Association's attorney with respect to proposed or pending litigation where the content of the discussion would be protected by the attorney-client privilege; and meetings between the Board and the Association's attorney held for the purpose of discussing personnel matters. The right of Members to attend Board meetings includes the right to speak for three (3) minutes at such meetings with respect to all designated agenda items. The Association may adopt additional reasonable rules governing the frequency, duration and manner of Member statements. The Board shall adopt by rule, and give notice to the Members of, a specific location in the community upon which all notices of Board and/or Committee meetings shall be posted. Directors may not vote at Board meetings by proxy or by secret ballot, except a secret ballot may be used by Directors only for the election of officers. All meetings of the Board of Directors shall be conducted, to the extent practicable, in accordance with the latest published edition of Robert's Rules of Order (Revised). However, Robert's Rules of Order shall not be used in such a way to frustrate the proceedings or to unnecessarily delay the proceedings.

Section 5. Notice of Certain Board Meetings.

(a) Notwithstanding the notice requirement contained in Article VII, Section 4 of these Bylaws, if any meeting of the Board of Directors includes:

(1) Consideration of Assessments (Annual Assessments, Special Assessments, Initiation Assessments, Individual Assessments, Service Area Assessments or Special Service Area Assessments); or

(2) Levy or adoption of Assessments (Annual Assessments, Special Assessments, Initiation Assessments, Individual Assessments, Service Area Assessments or Special Service Area Assessments)

then notice of that Board meeting must be mailed or personally delivered to all Members not less than thirty (30) days before that Board meeting and no more than sixty (60) days before that Board meeting. In addition, the notice of that Board meeting must be posted in a conspicuous place in the community not less than fourteen (14) days before that Board meeting. The notice of that Board meeting must include a statement that assessments will be considered at the Board meeting and the notice must describe the nature of the assessments.

(b) Notwithstanding the notice requirement contained in Article VII, Section 4 of these Bylaws, if any meeting of the Board of Directors includes:

(1) Adoption of, Amendments to and/or Revocations of the Governing Documents regarding use of Lots; or

(2) Adoption of, Amendments to and/or Revocation of the Association Rules and Regulations regarding use of Lots

then notice of that Board meeting must be mailed or personally delivered to all Members not less than fourteen (14) days before that Board meeting. In addition, the notice of that Board meeting must be posted in a conspicuous place in the community not less than fourteen (14) days before that Board meeting. The notice of that Board meeting must include a statement that changes to the Governing Documents (and/or Association rules and regulations) will be considered at the Board meeting.

(c) Notwithstanding the notice requirement contained in Article VII, Section 4 of these Bylaws, if any meeting of the Board of Directors includes an item of business which is placed on the Board's agenda upon petition by Members pursuant to Article VII, Section 6 of these Bylaws, then notice of that Board meeting must be mailed or personally delivered to all Members no less than fourteen (14) days before that Board meeting. In addition, the notice of that Board meeting must be posted in a conspicuous place in the community not less than fourteen (14) days before that Board meeting.

Section 6. Agenda Items Through Member Petition. If at least twenty percent (20%) of the Members petition the Board of Directors in writing to take up or address an item of business, the Board shall place that item of business on an agenda of the Board for the next regular meeting of the Board, but no later than sixty (60) days after the Association receives the petition with the required percentage of Members. Other than addressing the item(s) of business placed on the Board's agenda through the written petition, the Board is not obligated or required to take any other action on the item(s) at that Board meeting. Each Member of the Association shall have the right to speak for three (3) minutes on each item of business placed on the Board's agenda through written petition, and will be subject to any other reasonable rules that have been adopted by the Board governing the frequency, duration and manner of Member statements. In order to speak on any item, a Member must either sign a sign-up sheet if one is provided at the Board meeting or submit to the Association a written request to speak before that Board meeting begins.

Section 7. Waiver of Notice. Any Director may waive notice of a Board meeting before or after the Board meeting and that waiver shall be deemed equivalent to the due receipt by that Director of notice. Attendance by any Director at a Board meeting shall constitute a waiver of notice of such Board meeting, and a waiver of any and all objections to the place of the meeting, to the time of the meeting or the manner in which it has been called or convened, except when a Director states at the beginning of the meeting, or promptly upon arrival at the meeting, any objection to the transaction of affairs because the meeting has not been lawfully called or convened. The transactions at any meeting of the Board, however called and noticed or wherever held, shall be as valid as though they were made at a Board meeting duly held after regular call and notice, if a quorum is present, and if, either before or after the Board meeting, each of the Directors not present signs such written waiver of notice, a consent to holding such Board meeting, or an approval of the minutes of that Board meeting. All such waivers, consents and approvals shall be filed with the official records of the Association or made a part of the minutes of the Board meeting.

Section 8. Quorum. A quorum for any meeting of the Board of Directors shall consist of a majority of the entire Board. The acts approved by a majority of those Directors present at a Board meeting at which a quorum is present shall constitute the acts of the Board of Directors, except when approval by a greater number of Directors is specifically required by the Governing Documents.

Section 9. Adjourned Meetings. If, at any proposed meeting of the Board of Directors, there is less than a quorum present, the majority of those present may adjourn the meeting from time to time until a quorum is present, provided notice of such newly scheduled meeting is given as required by Article VII, Section 4 or Article VII, Section 5 of these Bylaws. At any newly scheduled meeting, any business that might have been transacted at the meeting as originally called may be transacted as long as notice of such business to be conducted at the rescheduled meeting is given.

Section 10. Joinder in Meeting by Approval of Minutes. The joinder of a Director in the action of a Board meeting by signing and concurring in the minutes of that Board meeting shall constitute the approval of that Director of the business conducted at the Board meeting, but such joinder shall not allow the applicable Director to be counted as being present for purposes of quorum.

Section 11. Presiding Officer. The presiding officer at any meeting of the Board of Directors shall be the President (who may, however, designate any other officer to preside). If the President is absent or if the office of President is vacant, the Vice President shall preside at that Board meeting.

Section 12. Action Without Meeting. The Directors shall have the right to take any action in the absence of a Board meeting which they could take at a Board meeting by obtaining the vote or written consent of all Directors. Any action so approved shall have the same effect as though taken at a duly constituted meeting of the Directors.

Section 13. Committees. The Board may by resolution create committees, appoint persons to such committees, and vest in such committees such powers and responsibilities as the Board shall deem advisable. The resolution establishing a committee may also appoint its members, as well as a chair, state the purposes of the committee, and provide for reports and other administrative matters as deemed appropriate by the Board. The Board may at any time dissolve, terminate or expand any committee that has been created. All persons appointed to serve on any committee (including, without limitation, the Architectural Review Board) serve at the pleasure of the Board of Directors and may be removed at any time by the Board with or without cause. Meetings of any committee established by the Board of Directors at which a quorum of the members of that committee is present shall be open to all Members, except for: meetings between any committee and the Association's attorney with respect to proposed or pending litigation and/or adversarial administrative proceedings where the content of the discussion would be protected by the attorney-client privilege; and meetings between any committee and the Association's attorney held for the purpose of discussing personnel matters.

If any committee created by the Board of Directors meets to make a final decision regarding any expenditure of Association funds, notice of that committee meeting must be posted in a conspicuous place within the Property at least forty-eight (48) hours preceding the date and time of the committee meeting.

Notice of any meeting of the Association's Architectural Review Board must be posted in a conspicuous place within the Property at least forty-eight (48) hours preceding the date and time of the Architectural Review Board meeting.

Section 14. Minutes of Meetings. The minutes of all meetings of the Board of Directors shall be kept in written form or in another form that can be converted into written form within a reasonable time. The Association shall retain these minutes for a period of not less than seven (7) years.

Section 15. Emergency Bylaws and Powers. In the event of an "emergency" as defined in Article VII, Section 15(a) of these Bylaws, the Board of Directors of the Association may exercise the emergency powers described in this Section, and any other emergency powers granted to a not for profit corporation under then-existing Florida law.

(a) An "emergency" exists for purposes of this Section 15 during the time a quorum of the Association's Directors cannot readily be assembled because of a catastrophic event, which includes without limitation, a hurricane, earthquake, act of war, civil unrest, domestic terrorism, or other similar occurrence. An "emergency" also exists during any period of time that local civil authorities have declared that a state of emergency exists in, or have ordered the mandatory evacuation of, the area in which the Property is located. A determination by any two (2) Directors that an emergency exists shall have presumptive validity.

(b) The Board of Directors may name as assistant officers persons who are not Directors, and these assistant officers shall have the same authority as the executive officers of whom they are the designated assistant during the period of the emergency, in the event of the incapacity of any officer of the Association.

(c) The Board of Directors may relocate the principal office during the period of the emergency, or designate alternative principal offices, or authorize the officers to do so.

(d) During any emergency the Board of Directors may hold Board meetings with notice given only to those Directors with whom it is practicable to communicate, and the notice of that Board meeting may be given in any reasonable manner, including but not limited to, publication, radio and television. The Director or Directors in attendance at such a Board meeting shall constitute a quorum of the Board.

(e) Corporate action taken in good faith during the period of an emergency under this Section 15 to further the ordinary affairs of the Association shall bind the Association, and that corporate action shall have the rebuttable presumption of being reasonable and necessary.

(f) Any officer, Director, agent of the Association and/or employee of the Association acting with a reasonable belief that his or her actions are lawful in accordance with these emergency Bylaws shall incur no liability for doing so, except in the case of willful misconduct and/or gross negligence.

(g) The provisions of these emergency Bylaws shall supersede any inconsistent or contrary provisions of the Bylaws during the period of an emergency. However, all provisions of the Bylaws that do not conflict with the emergency Bylaws remain effective during the period of an emergency.

(h) The provisions of these emergency Bylaws shall cease to be effective once the reason for the emergency ends.

Section 16. Execution of Documents. The Board of Directors, except as otherwise provided in these Bylaws, hereby authorizes the President or, if the President is unavailable for a period greater than two (2) full business days, the Vice President to enter into any contract or agreement and/or to execute any instrument in the name and on behalf of the Association.

#### Section 1. Budgeting and Allocating Common Expense.

(a) Operating Budget. At least forty-five (45) days prior to the end of each Fiscal Year, to the extent possible, the Board shall prepare and approve a budget of the estimated Common Expense of the Association for the coming Fiscal Year, together with any amounts necessary to fund any deficits from prior years and to provide reserves for future expenses, including but not limited to the annual capital contribution approved by the Board under Article XI, Section 1(c) of these Bylaws. The Board shall determine and fix the amount of Annual Assessments for each Lot to meet all the expenses of the Association (including the Common Expense) and the Board shall determine when the Annual Assessments are payable.

(b) Capital Budget. Each year, the Board may approve a capital budget taking into account the number, type, useful life and expected major repair or replacement cost of major components for which the Association is responsible, such as but not limited to, paving. The Board shall then set the required annual capital contribution in an amount sufficient to meet the projected capital needs of the Association on a timely basis. The annual capital contribution fixed by the Board shall then be included in the annual operating budget described in Article XI, Section 1(a) of these Bylaws.

(c) Adoption of Operating Budget. The Association shall mail to each Member a copy of the operating budget and projected Annual Assessments approved by the Board to be levied for the next Fiscal Year at least thirty (30) days, to the extent possible, prior to the end of the Association's current Fiscal Year. The operating budget and Annual Assessments shall become effective unless disapproved at a Special Meeting of the Members held not later than thirty (30) days after the proposed budget and Annual Assessments are mailed to the Members. There shall be no obligation to call a Special Meeting for the purpose of considering the budget and Annual Assessments, except upon written request by the Association's Members Eligible To Vote as provided for Special Meetings in the Bylaws. To be effective, Members Eligible To Vote representing at least two-thirds (2/3) of the total voting interests of the Association, without regard to membership class, must disapprove of the proposed budget and Annual Assessments. If the Association's membership so disapproves the operating budget and Annual Assessments for the coming Fiscal Year, or if the Board fails to propose an operating budget, then the operating budget and Annual Assessments for the prior Fiscal Year shall continue in effect until a new operating budget and Annual Assessment amount are determined and adopted.

In the event that the Board is unable to adopt an operating budget and Annual Assessments for the coming Fiscal Year, the Board may call a Special Meeting of

Members for the purpose of considering and adopting such an operating budget and Annual Assessments, which meeting shall be called and held in the manner provided in the Bylaws for a Special Meeting. The Board may also propose an operating budget and Annual Assessment in writing to the Members, and if such budget is adopted by the Members Eligible To Vote representing a majority of the total voting interests of the Association, and upon ratification by a majority of the entire Board, it shall become the operating budget and Annual Assessments for that coming Fiscal Year.

(d) Allocation of Annual Assessments Among Lots. The Annual Assessment levied for the coming Fiscal Year against each Lot shall be calculated in the following manner: Owners of Lots shall pay a prorata share of Annual Assessments based upon Assessment equivalents allocated among the Owners as provided in Article XI, Section 1(d) of these Bylaws (the "Assessment Equivalents").

(1) The share of the total Annual Assessment shall be allocated among the Owners of the Lots as follows:

(i) Each Owner of a Lot shall pay Annual Assessments based upon one (1) Assessment Equivalent for each Lot owned by that Owner.

(ii) The Association will then calculate the total number of Assessment Equivalents within the Property. Then, taking the sum of the operating budget of the Association, including the Common Expense, any deficits carried over from previous Fiscal Years, the Capital Budget and any reserve accounts to be funded in that Fiscal Year, and dividing that sum by the total number of Assessment Equivalents within the Property to determine the Annual Assessment per Assessment Equivalent. That quotient (the Annual Assessment per Assessment Equivalent) is then multiplied by the number of Assessment Equivalents for each Lot to determine the applicable Annual Assessment for each Lot.

Section 2. Reserve Accounts.

The Board may establish reserve accounts which the Board, in its sole and absolute discretion, determines are necessary and/or desirable. Any reserve account established by the Board shall be part of the Common Expense and included as part of the Annual Assessment for each Fiscal Year.

Section 3. Special Assessments.

In addition to other authorized Assessments, the Association may levy at any time a Special Assessment, if approved by a majority of the Members Eligible To Vote present, in person or by proxy, at a duly called Meeting of the Association's membership at which a quorum is present. If a Special Assessment is approved and levied by the Association, that Special Assessment shall be paid in such manner as the Board may require in the notice of the Special Assessment. The funds collected pursuant to a Special Assessment shall be used only for the specific purpose or purposes set forth in the notice of adoption and levying of that Special Assessment. However, upon completion of such specific purpose or purposes, any

excess funds will be considered surplus, and may, at the sole discretion of the Board, be used for any other lawful purpose or deposited into one of the other existing accounts of the Association (for example, the general operating account or a reserve account) to be used for any other expense of the Association. A Special Assessment may be levied for any lawful purpose and/or duty of the Association. Any Special Assessment levied in accordance with Article 6 of the Declaration may be levied by the Board alone without needing the approval of a majority of the Members Eligible To Vote. All Special Assessments shall be allocated and levied in the same manner as an Annual Assessment. A Special Assessment shall be assessed against all Members and their Lots (except Declarant, while Declarant subsidizes the Common Expense of the Association as more particularly described in the Declaration) in the Property in an equal amount per Lot.

Section 4. Individual Assessments.

The Association may levy Individual Assessments against any Member and that Member's Lot in order to cover costs incurred by the Association due to that Member's failure and/or refusal to maintain that Member's Lot pursuant to the standards set forth in the Governing Documents, or to reimburse the Association for loss and/or damage to the Association or to any Common Area, Drainage Easement and/or easement area caused by that Member or that Member's tenant, family member, employee, agent, contractor, subcontractor, invitee and/or guest, and not covered by insurance, or for any other purpose expressly authorized by the Governing Documents.

The Board may also levy an Individual Assessment against any Member and that Member's Lot to reimburse the Association for costs incurred pursuant to the Governing Documents in bringing a Member and/or that Member's Lot into compliance with any provision of the Governing Documents, any rules and regulations and any amendments to any of these. This includes, but it not limited to, Enforcement Cost, attorneys' fees, expenses and costs.

The Declarant shall not be required to pay any Individual Assessments while the Declarant has Class B membership.

Section 5. Assessment Rate; Commencement of Assessments; Time of Payment.

The obligation to pay Assessments commences as to each Lot, except for Lots owned by Declarant, on the date the Declaration is recorded in the Public Records of Pasco County, Florida. Lots owned by Declarant shall not be subject to Assessments as long as Declarant pays the operating expenses of the Association incurred that exceed the Assessments receivable from other Members and any other income of the Association (commonly referred to as "Deficit Funding the Association") and as more particularly described in the Declaration. Annual Assessments and Special Assessments for the Common Expense shall be allocated equally among all Lots subject to such Assessment. The first Annual Assessment to be paid by a Member shall be prorated according to the number of months remaining in the Fiscal Year at the time that Member's Lot is conveyed and/or transferred to that Member.

Members shall pay Assessments in the manner and on the dates as established by the Board. The Board may require advance payment of some or all Assessments at the closing of the transfer of title to a Lot and may impose special requirements for Members who have failed to pay, on a timely basis, two (2) or more payments, in any twelve (12) month period, of any nature, due under the Governing Documents. If the Board so elects, Assessments may be paid in semi-annual, quarterly or monthly installments. Unless the Board otherwise provides, the Annual Assessment shall be due and payable in advance on the first day of each Fiscal Year. If any Member is delinquent in paying any Assessments or other charges levied on that Member's Lot, the Board may require that the outstanding balance on all Assessments be paid in full immediately.

Section 6. Obligation for Assessments.

Each Member, except for Declarant, by accepting a deed or entering into a recorded contract of sale for any Lot, covenants and agrees to pay all Assessments levied in accordance with the Governing Documents for each Lot owned. All Assessments, together with interest (at the highest lawful rate permitted in Florida from the date when first due until fully paid), late charges as determined by Board resolution, and Enforcement Cost, shall be the personal obligation of each Member, other than Declarant, and a lien upon each Lot until paid in full. Upon a transfer of title to a Lot, the grantee shall be jointly and severally liable for any Assessments and other charges due at the time of conveyance.

Any failure by the Board to fix Assessment amounts or rates or any failure by the Board or an agent of the Association to deliver or mail each Member an Assessment notice shall not be deemed a waiver, modification, or a release of any Member from the obligation to pay Assessments. In such event, each Member, other than Declarant, shall continue to pay Annual Assessments on the same basis as during the last year for which an Assessment was made until a new Assessment is levied, at which time the Association may retroactively assess any shortfalls in collections.

No Member is exempted from liability for Assessments by non-use of Common Area, abandonment of that Member's Lot, or any other means. The obligation to pay Assessments is a separate and independent covenant by each Member, other than Declarant. No reduction or abatement of Assessments or set-off shall be claimed or allowed for any alleged failure of the Association or Board to take some action or perform some required function, or for inconvenience or discomfort arising from making repairs or improvements, or for any other reason.

Following a written request, the Association shall furnish to any Member liable for any type of Assessment a certificate in writing signed by an Association officer setting forth whether such Assessment has been paid. Such certificate shall be conclusive evidence of payment. The Association may require the advance payment of a reasonable processing fee for the issuance of such certificate.

Section 7. Lien for Assessments; Personal Obligation for Assessments. All Assessments, together with such interest and late charges as shall be imposed by the Board, and

the cost of collection thereof, including without limitation, Enforcement Cost, court costs and reasonable attorneys' and paralegals' fees before trial, at trial and on appeal, and in all post-judgment proceedings, shall be a charge and continuing lien upon the Lot against which such Assessment is made from and after the date on which such Assessment is due. Each Assessments, together with said interest, late charges, Enforcement Cost, costs and fees, shall also be the personal obligation of each Person who was an Owner of the Lot at the time the Assessment became due and payable. In the case a Lot is owned by more than one (1) Person, all such Owners shall be jointly and severally liable for the entire amount of the Assessment. The Association may record a notice of lien for any delinquent assessments in the Public Records of the County and foreclose the lien in the same manner as a mortgage. Upon recording, the lien shall secure the amount of delinquency stated therein and all unpaid Assessments, interest, late charges and Enforcement Cost thereafter until satisfied of record. Such lien shall be superior to all other liens, except: (a) the lien or charge of any recorded first Mortgage (meaning any recorded Mortgage with first priority over other Mortgages) made in good faith and for value; and (b) other liens or encumbrances which by law would be superior. The Association's lien may be enforced by suit, judgment, and/or judicial or nonjudicial foreclosure, unless prohibited by applicable law.

At a foreclosure sale, the Association may bid for the Lot and acquire, hold, lease, mortgage, and convey that Lot. The Association may sue for unpaid Assessments and other charges without foreclosing or waiving its Assessment lien.

Sale or transfer of any Lot shall not affect the Assessment lien or relieve such Lot from the lien for any subsequent Assessments. However, the sale or transfer of any Lot pursuant to foreclosure by the first Mortgagee (or pursuant to a deed in lieu of foreclosure to a first mortgage) extinguishes the lien relating to any amounts due prior to the Mortgagee's foreclosure or the deed in lieu of foreclosure. The purchaser of such foreclosed Lot shall not be personally liable for Assessments on such Lot due prior to the foreclosure sale. Such unpaid Assessments shall become a Common Expense collectible from Owners of all Lots subject to Assessment under Article XI, Section 5 of these Bylaws, including, without limitation, such purchaser, its successors and assigns.

Notwithstanding the above, while the Association owns a Lot: (a) no right to vote shall be exercised on its behalf; (b) no Assessment shall be levied on it; and (c) each other Lot shall be charged, in addition to its usual Assessment, its pro rata share of the Assessment that would have been charged to such Lot had it not been acquired by the Association.

Section 8. Exempt Property. The following property shall be exempt from the Assessments and liens created herein: (1) the Common Area, if any; (2) lands dedicated to and/or owned by the County, the CDD or another governmental authority, any utility company or the general public; and (3) Lots owned by Declarant during the period of time that Declarant subsidizes the Common Expense of the Association pursuant to the Declaration. No other land or improvements in the Property shall be exempt from Assessments and liens created in the Governing Documents. No Owner may avoid any Assessment obligations by virtue of non-use

and/or abandonment of the Common Area. No Owner may avoid any Assessment obligations by virtue of non-use and/or abandonment of that Owner's Lot.

Section 9. Initiation Assessment. At the closing of the first purchase of each Lot by an Owner (other than Declarant) who acquires the Lot for any purpose other than to build and/or construct Improvements on that Lot for resale in the ordinary course of business, the Owner shall pay to the Association a one-time initiation assessment (the "Initiation Assessment") in an amount to be determined by the Board, which may be adjusted and/or increased from time to time, per Lot as a contribution to the capital of the Association. Initiation Assessments may be adjusted as to Additional Property as provided in the Supplemental Declaration applicable to such Additional Property. Initiation Assessments are not refundable and shall not be prorated. The Association may use Initiation Assessments for any purpose.

Section 10. Use and Consumption Fees; Licenses and Royalties.

The Board may charge use and consumption fees to any person and/or entity using Association services or facilities and may, in its discretion, determine the amount and method of determining such fees. Different fees may be charged to different classes of users (for example, Owners and non-Owners). Any such fees charged to Owners shall be considered an Individual Assessment against the Lots of such Owners under Article XI, Section 4(a) of these Bylaws.

As set forth in the Governing Documents, the Association may enter into license agreements with Declarant or other parties to permit the Association's use of trade names or service marks, such as the use of the name "**Starkey Ranch**". To the extent permitted by such license agreements, the Board may enter into sub-license agreements, under negotiated terms, which permit others within the Property to use such trade names and/or service marks. The Association may charge fees and collect royalties in connection with such sub-license agreements; provided, Declarant and any Declarant Affiliate shall retain the absolute right to use such trade names and service marks without payment of any license fees. Any such fees and royalties shall be considered an Individual Assessment under Article XI, Section 4 of these Bylaws.

Section 11. Depository. The depository of the Association shall be such bank or banks in the State of Florida as shall be designated from time to time by the Board of Directors and in which the monies of the Association shall be deposited. Any and all banks utilized by the Board of Directors and the Association shall be federally insured. Withdrawal of monies from those accounts may be made by either: (a) checks signed by such person or persons as are authorized by the Board of Directors; or (b) electronic fund transfers by such person or persons as are authorized or under the direction of the Board of Directors. All reserve and operating funds collected by the Association from Assessments or otherwise shall not be commingled in a single account and shall be divided into more than one (1) account as determined by a majority of the Board of Directors. In addition, a separate reserve account may be established for the Association in such a depository for monies specifically designated as reserves for capital

expenditures, deferred maintenance and/or any other item or expense in the sole discretion of the Board of Directors.

Section 12. Fidelity Bonds. Fidelity bonds may be required, in the discretion of the Board of Directors, for all persons handling or responsible for Association funds in such amounts as shall be determined by a majority of the Board, but in no event less than the greater of One Hundred Thousand Dollars (\$100,000.00) or the maximum amount that will be in the custody or control of the Association or any persons handling or responsible for Association funds at any one time. The premiums on such bonds shall be paid by the Association as a Common Expense.

Section 13. Accounting Records and Reports. The Association shall maintain accounting records in the State of Florida, according to accounting practices normally used by similar associations. All financial and accounting records must be kept by the Association for a period of at least seven (7) years. The records shall include, but not be limited to: (a) accurate, itemized and detailed records of all receipts and expenditures; (b) a current account and periodic statement of the account of each Member, designating the name and current mailing address of each Member, the amount of each Assessment, the dates and amounts in which the Assessments come due, the amount paid upon the account and the dates so paid, and the balance due; (c) all tax returns, financial statements and financial reports of the Association; and (d) any other Association records that identify, measure, record or communicate financial information.

Within ninety (90) days following the end of each Fiscal Year, the Association shall prepare, or contract with a third party to have prepared, a complete annual financial report. The annual financial report will consist of a complete set of financial statements that were prepared in accordance with generally accepted accounting principles, and with such other requirements established by Florida law for a homeowners' association with total annual revenue of the Association. When the Board of Directors completes or receives this annual financial report, the Association shall within twenty-one (21) calendar days, but no later than August 1 of each calendar year either: mail or deliver a copy of the annual financial report to each Member; or mail or deliver a written notice to each Member that a copy of the annual financial report is available upon request at no charge to the Member.
